

What's UP Tennessee?

Make Moments Matter

WHAT'S UP IN OUR CLUBS?

October 23 – GFWC TN Please call, email, or send a postcard to your U.S. Senators and Representatives urging them to pass S1831 and H.R. 3265: 3D Printed Gun Safety Act of 2019. This Act would prohibit and make unlawful the publication of 3D printer plans for the printing of firearms over the Internet, or other means of communication. Also urge Senator Blackburn to vote it out of the committee.

October 25 - International Artist's Day, this day celebrates all forms of art – paintings, sculpture, photography, architecture, music, and more. Through this celebration we show our respect for the passion and creativity in all artists.

GFWC Sisters, thank you for the great job last year with you Home Life projects – 227 of them where you volunteered over 20K hours and donated over \$80K with almost \$34K in-kind donations. Keep up the good work. Remember we are continuing with a “Year of Women’s Health Issues.” October is Breast Cancer Awareness Month. So many of us have been impacted by this disease. Help spread awareness and prevention information in your clubs and in your communities; use social media; be creative; make a difference.

GFWC Tellico Village in the Smokey Mtn. District, had a fantastic summer with members getting together ushering at a Community Concert; establishing their book club and already having three meetings; packing school bags with Good Samaritan and Lenoir City Schools; attending a fashion show; sewing baby blankets for the March of Dimes and military families and getting together for a ticket folding party for their Home Tour.

GFWC Tellico Village won Second Place at the National Convention for their new and updated website – A project that several members of their club have been working on for two years. Please visit at www.gfwctellico.org

GFWC Tellico Village had a very successful recruitment program over the summer culminating in an incoming “class” of 7 members!

GFWC Tellico Village look forward to hosting the Smokey Mountain District Meeting, beginning their Civic Build with Habitat for Humanity, having “get to know us” tables at Tellico Village events, and their 24th Annual Charity Home Tour, Reception and Silent Auction on November 3rd.

October 2019
